

Fund Raising for Flood Relief

Floods in two States with major damage and dislocations.

Any club or State Association running a "Fund Raising" event
may run that event as a
Red Point event (B4c)

There will be no charge for masterpoints for such an event.
However for administrative reasons clubs please submit the returns for the
event to your **State Master Point Secretary**.

The proceeds should be sent to any Fund being conducted in any of the two
States. All monies will be gratefully received.

It is important to not only contribute financially to our communities but to
reinforce our support for fellow Australians in their hour of disaster
